

MARCH 2017

A Welcome Message from Our New Executive Director!

I'm excited to be on board as Executive Director of the Community Health Network of Connecticut Foundation, Inc. While I've only been Executive Director since January, I have had the great opportunity to volunteer for the Foundation over the years, and have always been impressed by the high level of programming and events that the staff here puts together on a daily basis. It is my goal to continue to build Cooking Matters and KHAIR, while finding other ways we can help the communities we serve.

We have a lot of great programs and events planned for 2017, and I hope that you can join us! Stay tuned...

- Patti Scussel

Cooking Matters programming at Clinton Avenue School

Cooking Matters instructor Gina Marie Vecchitto set up her "mobile kitchen" in the school cafeteria so 10 fifth-grade students could learn about nutrition and partake in hands-on cooking. [Read The Article](#)

KHAIR Spreads Its Wings

KHAIR extended its services to the Waterbury region and provided a three-day pilot program to seven teenagers from StayWell Health Center. [Read The Article](#)

Golf 2017: Returns to Lake of Isles

Our Cornell Scott Memorial Golf Classic will take place August 14, 2017. [Register today!](#)

Volunteer with us!

CHNCT Foundation, Inc. is always welcoming new volunteers to our team. If you are interested, please email us [here](#).

Khair Pilot Program at Wilbur Cross High School captures students preparing vegetables for the delicious turkey tacos Cooking Matters recipe!
